## ANOTHER CASE OF DYNAMITING

OAKLAND, May 28.—Three dwellings built by James L. Gallagher, former president of the San Francisco board of supervisors, and chief witness for the prosecution in the San Francisco graft cases, at the corner of Perkins and Belmont streets, north of Lake Merritt, were wrecked at 10:45 o'clock tonight by dynamite.

The explosive was placed in the kitchen of the finest of the three places. In the front of the house stood a shack, in which John Rollins, a watchman, hired by the contractor to care for the dwellings, was sitting. The dynamite entered the house in the rear from Belmont street, and while only one bomb was placed, it was charged heavily enough to throw the corner house nearly off its foundations in a crumbled ruin and to wreck the other two beyond the semblance of human habitation.

The explosive shook the neighborhood, smashed windows of nearby dwellings and played havoc with interior furnishings.

Hardly had the echoes of the detonation that destroyed the Schenck home in East Oakland, where Gallagher and his wife lived, grown cold, when this fresh outrage occurred.

The explosion knocked Rollins from his seat in the shack. He ran across the street to the home of Isabelle Fletcher, an actress, to telephone. No one else was in the houses when the explosion took place. Immediately after the explosion and before Rollins had called the police, Special Policeman C. Hitchcock, who heard the detonation, sent in an alarm. Policemen were sent to the scene at once, and Captain of Detectives Peterson took charge. He scoured the neighborhood and every suspicious character was taken into custody.

## LITTLE OUT OF THE ORDINARY

TUCSON, Ariz., May 28.—The Arizona Democratic convention met today and elected and instructed its delegation to vote solidly for the nomination of Wm. J. Bryan. Mention of Bryan's name occasioned prolonged cheering. An unusual feature was the endorsement of Senator J. B. Oraker of Ohio. He was heartily thanked for his services in the fight against joint Statehood of Arizona and New Mexico.

PRACTICE MARCH FATAL.  
KOENIGSBURG, Germany, May 28.—Three artillermen died here today from the effects of sunstroke sustained while on a practice march. Twenty others were seriously affected.

FIFTY YEARS FOR MURDER.  
BUTTE, Mont., May 28.—A Miner dispatch from Red Lodge states that W. J. Harrison was today sentenced to fifty years in the penitentiary for the killing of Jack Norman, a well known miner at Bellevue, Mont., April 19th last. Mrs. Harrison is in jail and will also be tried for murder.

## VARIOUS MATTERS WERE DISCUSSED

(By Associated Press)

KANSAS CITY, Mo., May 28.—Church government, temperance, marriage, divorce, were the important subjects before the general assembly of the Presbyterian church today. By far the most important action taken this session was the adoption of a resolution which makes it impossible for any paid agent, member of church boards, or any permanent officer of the general assembly, except the moderator, to serve on the executive committee, the ruling body in the administrative department of the church. The church reaffirmed its position that divorce should be granted only upon Biblical grounds. The assembly voted to appropriate \$35,000 to continue the work of temperance committees, and adopted a resolution declaring that no revenues derived from the liquor business should be used for popular government, and calling on Congress to "protect" States that had abolished the traffic.
